What Is Whatman Filter Paper? and Uses of Whatman Filter Paper!

Classic

What is Whatman Filter Paper?

Whatman filter paper is a cellulose paper made by using a high percentage of alpha-cellulose. Its contents are a sign of its consistency and high quality as alpha cellulose is considered the most stable form of cellulose. Not only this, it has the highest degree of polymerization.

Qualitative filter papers like Whatman filter paper are based on numerous properties which include thickness, retention, and weight. While quantitative filter papers are of ashless grades and can be burned off for various analytical applications, qualitative papers are used for general purposes.

Whatman quantitative filters are best for gravimetric analysis and for preparing samples for conducting the various instrumental analysis. They are made in different formats and designed appropriately to meet your specific needs.

Pay Per Click (Paid Ads)

A model of internet marketing in which advertisers pay a fee each time one of their ads is clicked. Essentially, it's a way of buying visits to your site, rather than attempting to "earn" those visits organically.

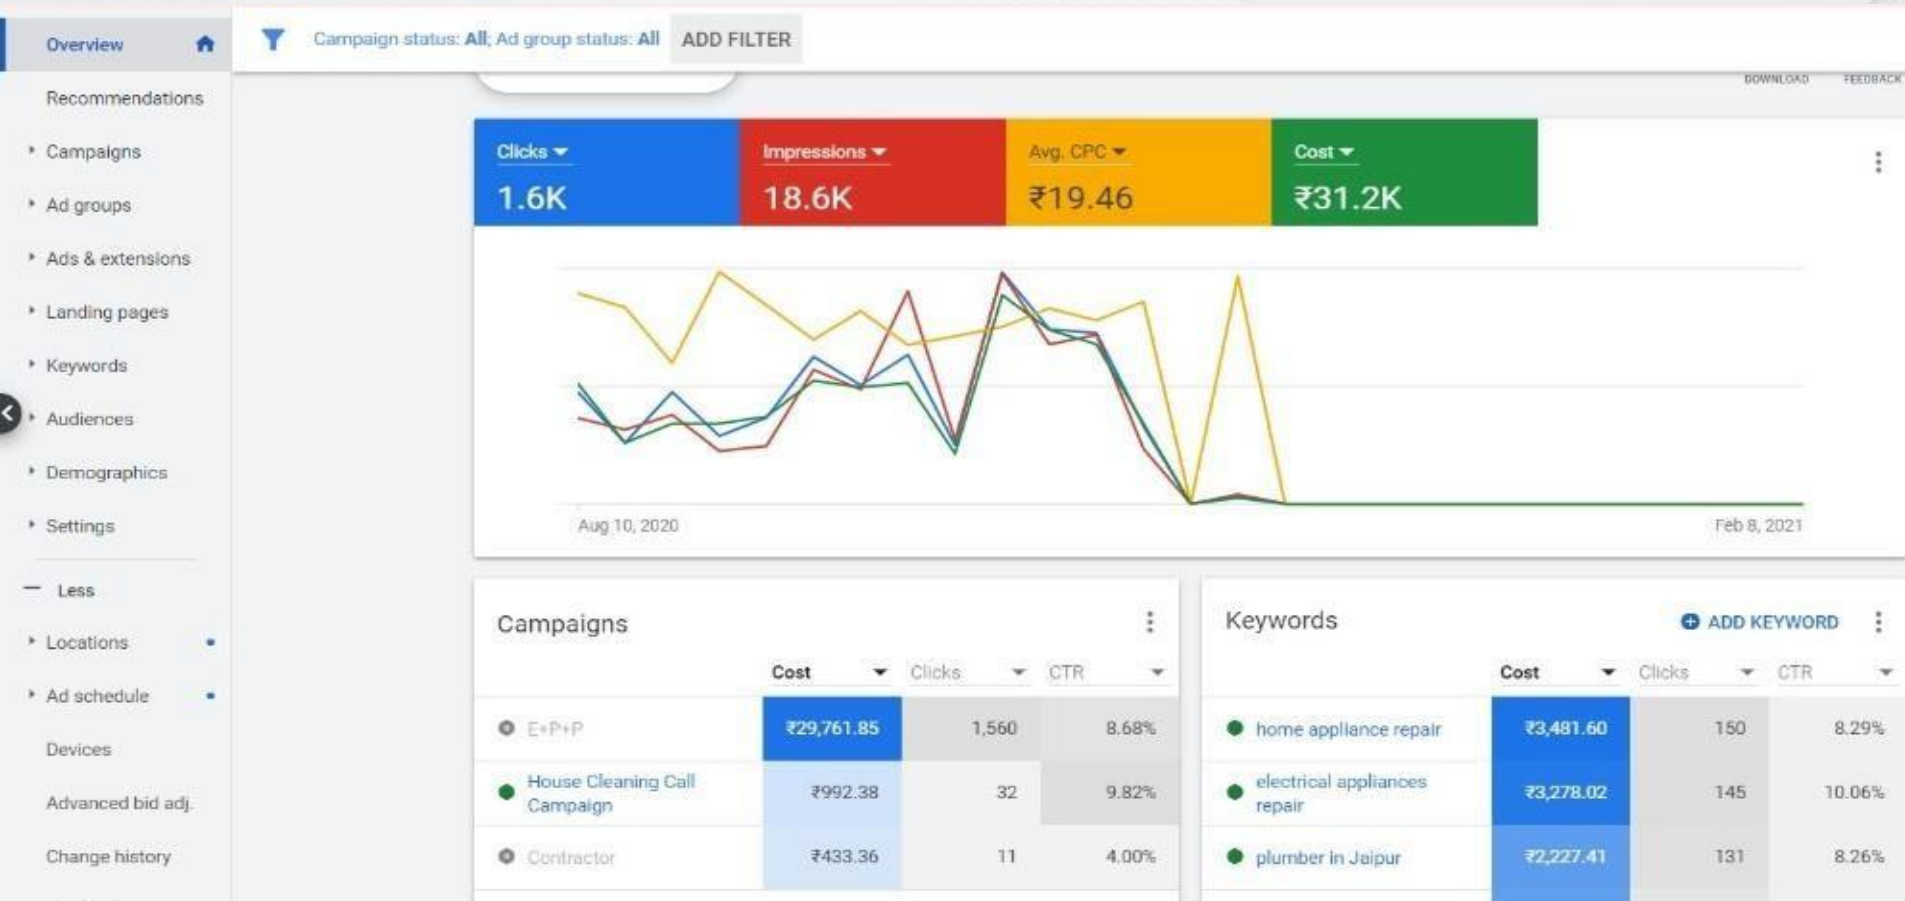

Benefits

- PPC ads reach audiences cost-effectively
- PPC ads provide instant traffic
- PPC ads drive warm leads
- PPC ads lead to positive ROI
- PPC user data helps your SEO strategy
- PPC ads don't depend on algorithm changes
- PPC ads offer multi-layered targeting options
- PPC ads allow for smart retargeting

Lead Generation

One of the biggest keys to a successful business is the generation of new sales leads. Lead generation is a marketing term for creating or generating the interests of prospective customers in a product or service being offered by You.

More Benefits of Lead Generation to Your Business -

- Obtain very powerful information about your targeted audience.
- It allows you to build databases with users interested in the brand.
- Conversion rates (users to clients) can increase significantly.
- Increase in Sales and Profit Ratio
- Costs less than Other Advertisements

Our Strategy

Lead Generation

There are 2 Several ways to acquire leads :

- **Registration** – where the user registers in a database, such a newsletter.
- **Application** – where the user asks for more information through an application form.

Leads Mechanism are :

1. Newsletters
2. CTA
3. Landing Page
4. Forum
5. Re-Targeting
